Osteria il Coccia

A simple list with honest wines using sustainable culture when possible.

They are wines from my region where I grew up, felt the terroir, grape harvest,
with all the memories, smells and beautiful pictures of my country.

Wine doesn't need the price tag to be delicious.

They are many winegrowers absolutely passionate about their terroir and
wines, making delicious wines.

Each of my wines have a story behind that I love to share

Wine is a living product, that age, travels and carry history.

We are history so let's drink wine!
